The inspire* Hubs rely on leaders and member organisations giving their time to share knowledge, skills and advice for the benefit of all involved. The formal commitment from your side would be roughly 2-3 hours per month / six weeks (whatever the group decides) plus some admin and organisation tasks.

In addition to this, there would be opportunities to attend ad hoc events, speaker events, 1-2-1 training sessions at your discretion. At this stage, we need to assess that you can make this time on a regular basis and for at least 12 months. Is this something that you can commit to?

What support and services would you be interested in? (Tick all that apply)
